Subject: tomorrow's RICT meeting

Jada:

Tomorrow's RICT meeting needs to be cancelled because Shawn wants to use the 10:00 am time for a conference call on Dimock. He also suggested that the RICT meeting be rescheduled once we have more information on the State of PA's plan for the Dimock assessment. Dennis or I will send more information as to when the RICT meeting can be scheduled.

Thanks,
Fran
